PROPOSAL

# PPE Introduction

Premiere Planners Experience is a three-day conference where Wedding and Event Planners, Designers, and Stylists come together to learn about the industry trends, develop their craft with hands-on demonstrative courses, and gain inspiration to reach new levels of success.

By employing a combination of coaches, contemporaries, and clients, attendees will be able to experience excellence at an affordable price and invest in the information needed to take their business from small startups to successful stand outs.

Our purpose is to help others grow their business with expert guidance while igniting their passion and creativity as planning and décor professionals.

Our sponsors are more than just logos on a poster. They're an integral component of the Premier Planners mission to unite, educate and celebrate event industry professionals.

We utilize every resource to provide access and opportunities for exposure for every sponsor throughout the full duration of the conference.
